

DRESS GOODS SALE!

Over One Thousand Yards from
25 to 40 Per Cent. Discount.

We had an opportunity recently to buy from a foreign importer several pieces of Dress Goods—lots of which they only had a few pieces left.

They offered them to us at such liberal discounts we saw an opportunity to give our trade some genuine values.

These with over twenty pieces from our regular stock we have marked at big discounts from their regular prices for quick selling—such low prices you can well afford to buy and lay away for next Fall if you don't care to make them up for now. Here they are.
